

Interior Decor & Furniture Design

January, 2008

Company Profile

We are a design company specializing in the design and manufacture of furniture and home décor collections for the local and international markets based in Bangkok since 1999. The company offer clients a complete range of design styling services for the interior décor of hotels, luxury residences, commercial and retail projects.

Asian Motifs challenges new trends and creates new themes. Our design teams are constantly searching for new creative and introducing new manufacturing techniques to our clients. We strive for aesthetic looking products and quality manufacturing to attract attention of potential real estate investors and property developers.

Asian Motifs Projects

In 2002, the management team identified and responded to the demand in the Thai market for professional, reliable and specialized design styling expertise and services. We also work with a client's architects & interior designer consultants to provide loose furnishings, artwork, accessories and the finishing touches to their projects.
